Dear Richard,

I would like to thank you and you customers for your continued support of Guide Dogs.

It is only with the support of people like yourselves, that we can maintain our lifelong commitment to blind and partially sighted people. We rely purely on voluntary income to provide guide dogs, mobility and other rehabilitation services which meet the needs of visually impaired people. That is why we are so grateful for your generosity.

We hope this gives you an insight into how your essential support helps visually impaired people enjoy the freedom and independence that sighted people experience daily.

Once again, thank you for your continued support; we do appreciate that you have recognised the value of our work.

Yours sincerely

Sal Chapman
